Cover Page

The Cover Page is the most important element of a magazine and what captures a reader's interest to open it. Because of this, we decided to include, with the purchase of the cover, a Feature Article about the business or professional highlighted on the cover.

Price: Contact us!

Includes: Cover Page, a Feature Article, and a Cover Shoot with our agency photographer.

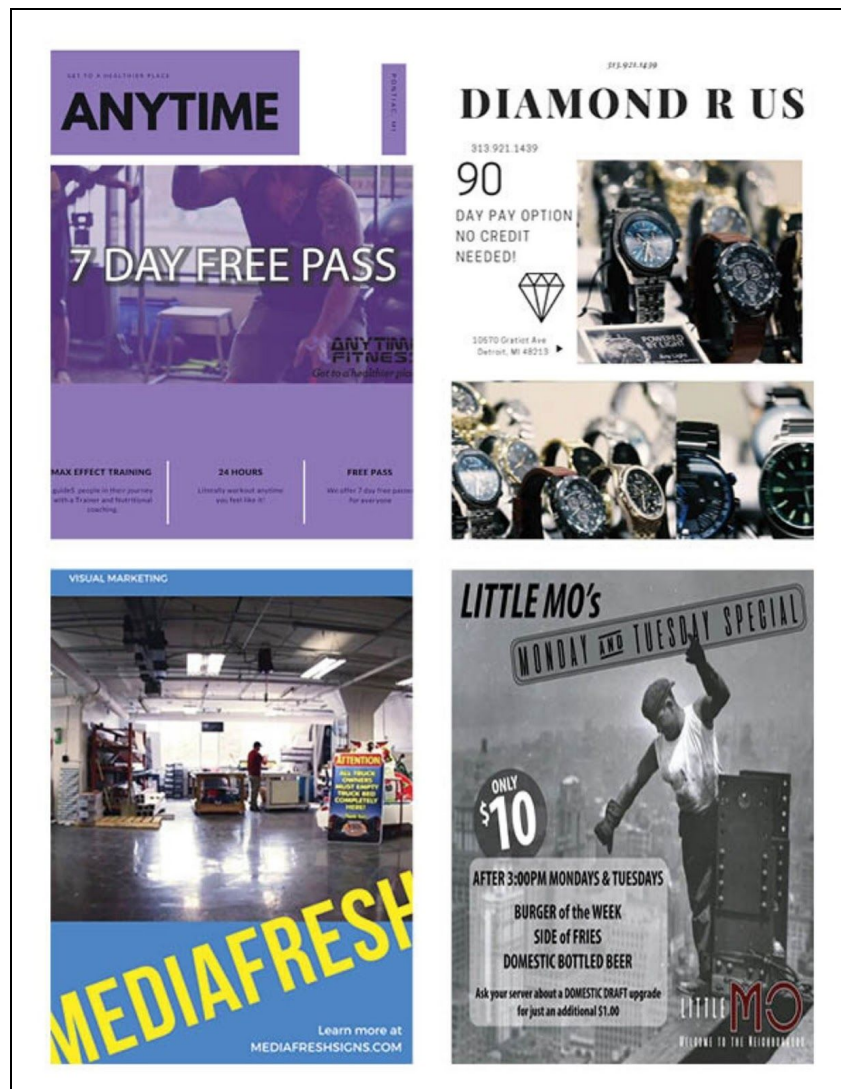

Quarter Page Ads

Refers to ads that take up about 1/4th of the page. Four different ads can be put together for different businesses or professionals, one in each corner.

Price: Contact us!

Includes: one ad with dimensions of 3.625w x 4.55h

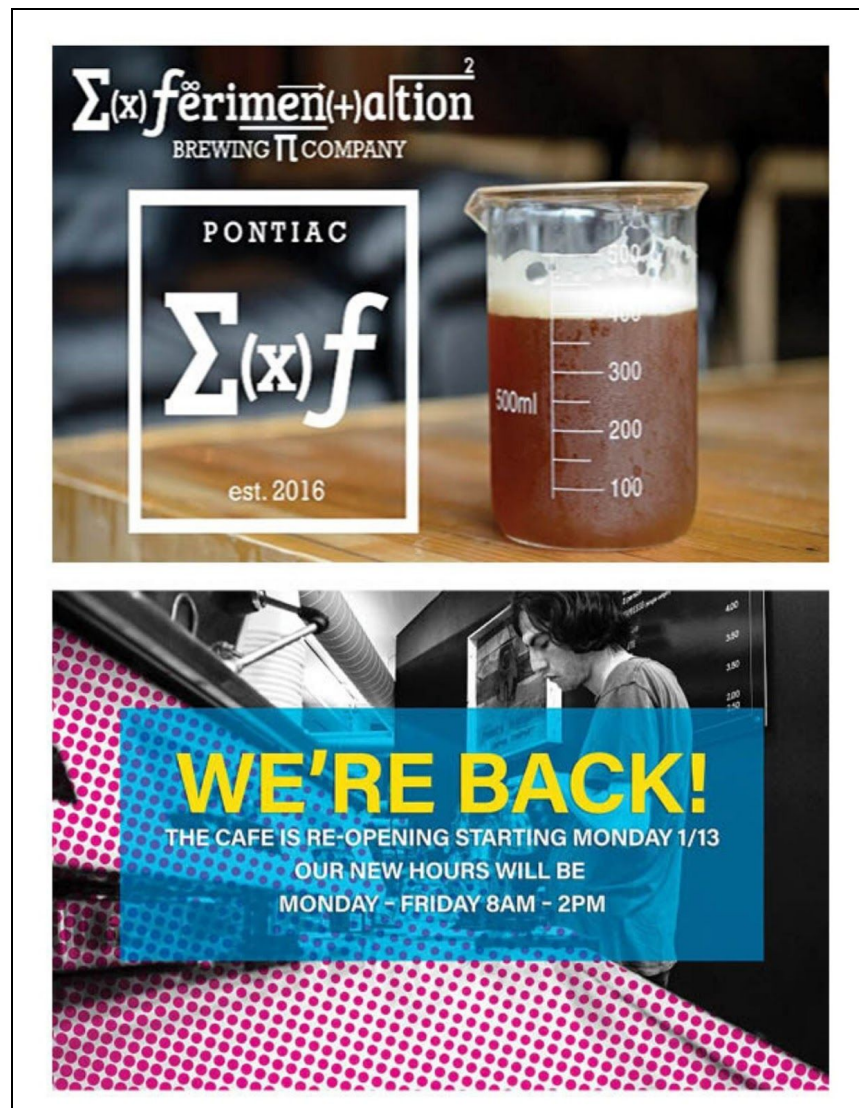

Half Page Ads

A page divided into two different ads. This can be horizontal or vertical depending on the kind of advertisement.

Price: Contact us!

Includes: one ad with dimensions of 7.45w x 4.55h

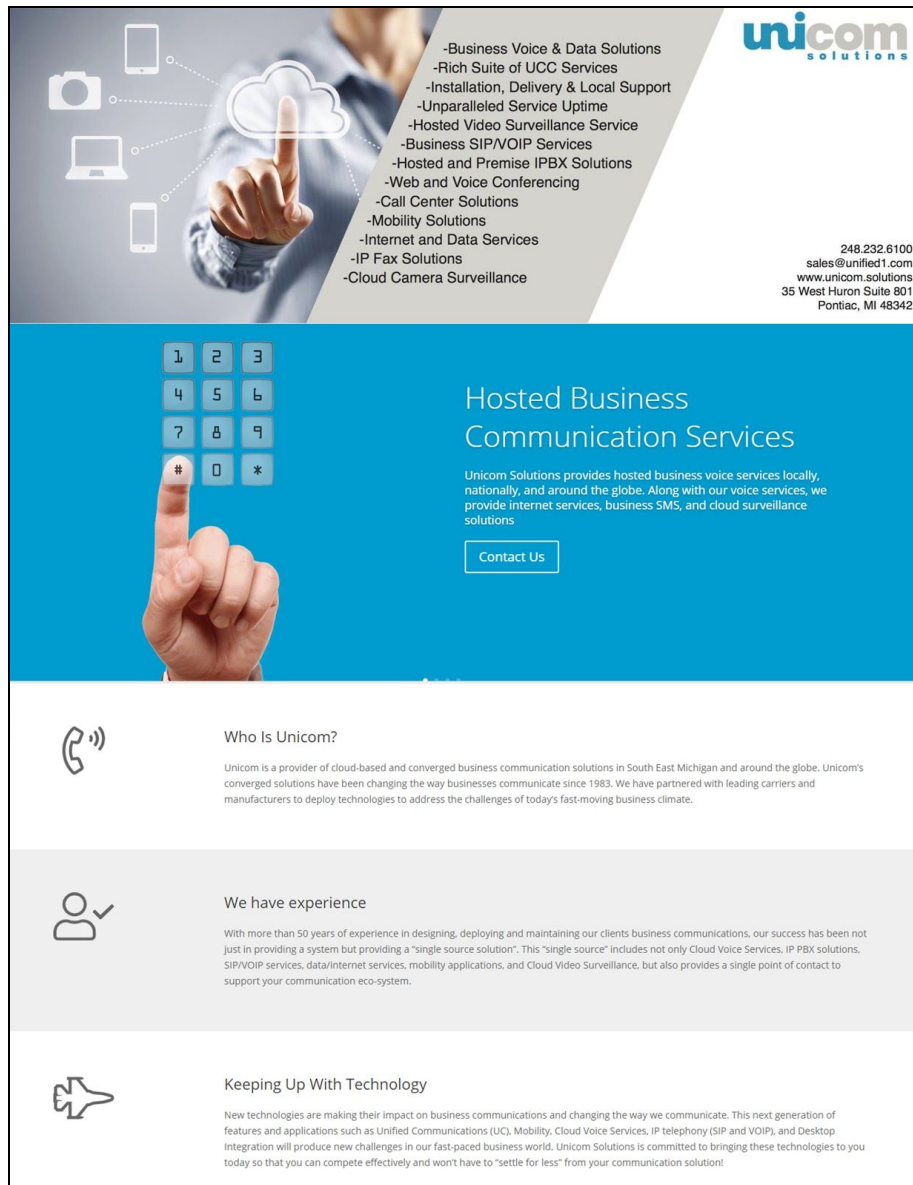

Full Page Ad

An entire page dedicated to one business.

Price: Contact us!

Includes: One Full Page Ad with dimensions of 8x11

Hosted Business Communication Services

Unicom Solutions provides hosted business voice services locally, nationally, and around the globe. Along with our voice services, we provide internet services, business SMS, and cloud surveillance solutions

[Contact Us](#)

Who Is Unicom?

Unicom is a provider of cloud-based and converged business communication solutions in South East Michigan and around the globe. Unicom's converged solutions have been changing the way businesses communicate since 1983. We have partnered with leading carriers and manufacturers to deploy technologies to address the challenges of today's fast-moving business climate.

We have experience

With more than 50 years of experience in designing, deploying and maintaining our clients business communications, our success has been not just in providing a system but providing a "single source solution". This "single source" includes not only Cloud Voice Services, IP PBX solutions, SIP/VOIP services, data/internet services, mobility applications, and Cloud Video Surveillance, but also provides a single point of contact to support your communication eco-system.

Keeping Up With Technology

New technologies are making their impact on business communications and changing the way we communicate. This next generation of features and applications such as Unified Communications (UC), Mobility, Cloud Voice Services, IP telephony (SIP and VOIP), and Desktop integration will produce new challenges in our fast-paced business world. Unicom Solutions is committed to bringing these technologies to you today so that you can compete effectively and won't have to "settle for less" from your communication solution!
